

Welcome Back!

We're really excited to welcome you and your family back to church on Sunday. There are going to be some changes to the way our services run to keep us all safe. Here are some things you might like to talk through as a family before returning.

What will look different in church?

How will our service sound different?

What is your favourite thing about church normally?

If your favourite part of the Sunday Service is not happening at the moment, why not think about doing one these activities as a family during the week?

Fellowship

Write a letter and send some friendly post to somebody else from church?

Arrange a socially distanced time of fellowship with another family?

Sunday School

Think of a fun game or activity you could do together at home linked to the Sunday talk you heard.

Think of a challenge to share with other families.

How do these changes make you feel?

What might you find difficult?

Singing

Put on some worship music when you are at home and have your own time of singing and praising God together.
