Bible Passage

Mark 10 v 17-31
God's Kingdom first

Today in church we learned that...

God asks us to seek His Kingdom first rather than wealth or materials possessions here on earth.

Memory Verse

Matthew 6 v 10

May your kingdom come and what you want be done, here on earth as it is in heaven.

Why not take some time this week to revisit the Bible Passage, use the questions below to talk and share together and connect with God together using these activities.

Can you find a way to remember the memory verse together?

Family Fun Together

Imagine heaven: Why not get creative and draw or craft your own picture of what you think heaven will look like. Be as imaginative as you can!

Simon Says: When we put God's Kingdom first we prioritise living for God and in obedience to Him. Play a game of Simon Says together and take it in turns to be the leader, giving instructions that everybody else should follow – but only if the instruction begins with "Simon says..."

Play a game of Hide and Seek: Hebrews 4 v 13: says that "nothing in all the world can be hidden from God." Play a game of Hide and Seek and talk together about how knowing that God is watching us might change the way we choose to live our lives.

Connect with God Together

How might you put seek God's Kingdom first this week, prioritising time with God and obedience to Him this week? Why not set yourself a challenge as a family to connect with God first this week. Choose times and place to put prayer reminders in your home using post-it notes or small pieces of paper.

How many times might you pause and connect with God this week if you always took time with God first before doing something that you wanted to do. e.g. Before you press the 'on' button of your television, before you grab a snack, before you brush your teeth, before you leave the house.
