Congratulations! You have found Joseph.

**Find something
made of wood.**

How does it feel to
touch?

Joseph was a carpenter.
He would have known the
feel of wood shavings under
his fingers, the smell of
gooey sweet sap, the
sharpness of splinters.

How do you think it felt for Joseph leaving the
comforting smells and textures of his
workshop to go on a long journey with Mary?

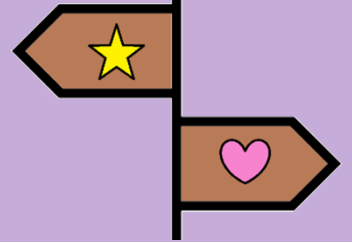

What textures
and smells
bring you
comfort?

What place

You have found a shepherd.

Breathe deeply.

What can you smell?

It would have been quiet on the hillside, the gentle noises of the sheep, the smell of their wool, musty and earthy. A peaceful night for the shepherds, but something amazing was about to happen!

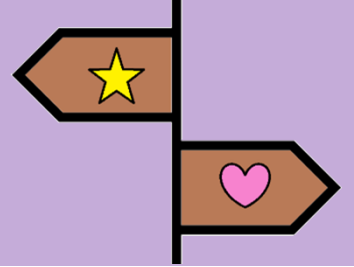

What can you smell?

How does it make you feel?

What is the most amazing thing that has ever happened to you?

Congratulations! You have found the star.

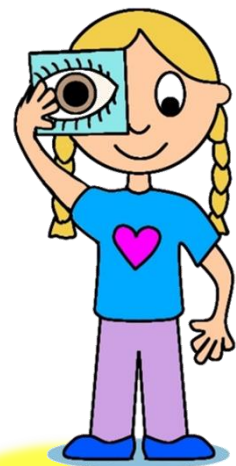

Look up at the sky.

What can you see?

When Jesus was born a new star appeared in the sky shining brightly. The star was trillions of miles from the earth, but its light made it all the way here.

**Stretch your arms out wide
like a star.**

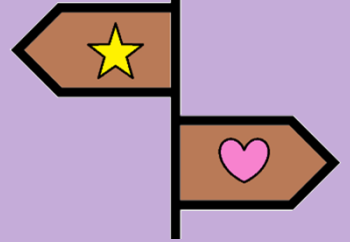

At Christmas we remember that God sent his son Jesus from heaven to earth, to stretch himself out on a cross. To remove our sins as far away as the east is from the west.

Can you stretch
out and share a
hug with
somebody you
love?

Congratulations! You have found Baby Jesus.

Close your eyes, push away the distractions of what you can hear and touch and smell.

Imagine you are there, in the stable visiting Jesus.
The son of God, born as a tiny baby, come to show
God's love to the world.

Smell the hay, hear the animals, see the manger,
touch the rough clothes wrapped around the baby.

Taste heaven.
