

## Bible Passage

James 2 v 1-17

Care for All

## Today in church we learned that...

We can choose to show love and care for others, meeting needs and sharing what we have.

## Memory Verse

Leviticus 19 v 18

Love your neighbour as you love yourself.

Why not take some time this week to revisit the Bible Passage, use the questions below to talk and share together and connect with God together using these activities.

Can you find a way to remember the memory verse together?

### A question for adults to ask children

How many different ways can you think of that we can care for others?

*We can show kindness to others in our words and our actions. Sharing what we have with those who have needs.*

### A question for children to ask adults

What is your favourite way to love and care for others?

## Family Fun Together

**Who am I?:** Players take it in turns to sit in the middle of the group with their eyes closed, a leader points to another player in the circle and they must say "Who am I?" but disguising their voice. The player in the middle must then guess who the person speaking was.

**Follow the leader:** Just as the disciples followed Jesus, we can follow Him today and live as examples for others to follow. Take it in turns to be the leader. Everybody else should copy them and follow their example. You could talk together about what makes a good leader.

## Connect with God Together

How does God want your family to help others this week?

Could you add some food into your weekly shop to feed to others? Could you offer to cook for or share your meal with another family?

What message of hope and encouragement might God want you to share with somebody else this week?

## Caring Challenge

Why not make your own 'caring chart' with a list of different caring activities.

Give each person in the family a column and see how many times they can demonstrate care for others this week.
